Here you can find the [menu](#) of **The Pancake House** in Central Bedfordshire. At the moment, there are **20** meals and drinks on the food list. Despite mixed reviews, the Pancake House at Center Parcs offers a delicious, reasonably priced breakfast experience. While some found the service lacking, others praised the friendly staff and quick service. The gluten-free options were especially appreciated, with a wide variety of choices available.

Customers enjoyed the tasty pancakes and waffles, with some minor complaints about dryness. Overall, the Pancake House is recommended for a satisfying breakfast, particularly for those with dietary restrictions. Despite some inconsistency, the majority of diners found the experience enjoyable and would return for another meal.
