On this homepage, you can find the **complete menu** of Dragon Boat from St. Ives. Currently, there are **25** courses and drinks available. The Dragon Boat has been a beloved takeaway spot, but recent reviews show a decline in quality. Customers express disappointment in burnt food, subpar dishes, and bitter flavors. However, some individuals still praise favorites like the Crispy Shredded Beef and Szechuan Prawns. While delivery can be slow due to popularity, the spot receives high recommendations for good service and tasty meals. Prices are fair, delivery is quick, and the food is hot and delicious. Overall, mixed reviews suggest that The Dragon Boat may have lost its touch, but loyal customers still find satisfaction in their classic dishes.
