A **comprehensive [menu](https://menuweb.menu)** of China Inn from York featuring all **33** dishes and drinks can be found here on the menu. Although the restaurant has received some mixed reviews, it seems to have its positives. The fish and chips are generally considered good, with the chips being particularly praised for being chunky and freshly made. Some customers have had issues with the quality of the food, slow service, and rude staff. However, the family-run takeaway offers a variety of food at reasonable prices and has received positive feedback on their Chinese dishes and customer service. Overall, the China Inn appears to be a decent option for a casual meal, especially if you're a fan of homemade style chips.
