A complete [menu](#) of The Farmer's Arms from Bolton covering all 21 dishes and drinks can be found here on the card. Despite mixed reviews, the restaurant seems to offer a variety of food options at reasonable prices. Some customers have expressed disappointment with the quality and service, while others have enjoyed their experience. The staff has been described as friendly, and the atmosphere is welcoming. It appears that the restaurant has changed ownership multiple times, causing inconsistencies in the overall experience. However, there are positive aspects such as a carvery option and special offers like free curry nights. Ultimately, it seems that the restaurant may be worth a visit for those looking for a casual dining experience with affordable options.
