A complete [menu](#) of Rutland Garden Centre from Rutland covering all 20 menus and drinks can be found here on the card. Radish Restaurant, recently revamped and known for its welcoming ambiance, offers a diverse menu and dog-friendly facilities. While many patrons praise the attentive and friendly staff as well as the quality of certain dishes, reviews indicate inconsistency in food preparation and limited gluten-free options. Some brunch items disappoint due to dense textures and stale alternatives, while lunch selections have been criticized for being lackluster in variety and freshness. Nevertheless, the café shines with delightful scones and a welcoming vibe, making it a work-in-progress that holds promise for future visits while striving to meet patrons' expectations.
