On this site, you can find the **complete [menu](#) of Boswells** from South Gloucestershire. Currently, there are **15** meals and drinks available. Boswell's Café offers a vibrant atmosphere with welcoming staff and a clean environment, making it a popular spot for breakfast and lunch. While some patrons appreciate the meticulous service and generous coffee portions, others express disappointment over the small, overpriced food servings, often describing them as lacking flavor and quality. The café's ambiance shines, particularly during good weather with outdoor seating for people-watching. Overall, while Boswell's has its strengths, potential diners may want to weigh the experience against nearby alternatives before committing to a meal. It's a place worth trying, with coffee and cake as safer bets.
