Dining experiences at this restaurant varied, with some guests enjoying friendly staff and good drinks, while others were disappointed by long waits, poor food quality, and limited menu options. The breakfast selection left much to be desired, with empty food trays and a lack of plates and juice. However, the Valentine's Day menu received praise for its quality and helpful team. Overall, while not gourmet fine dining, the restaurant/bar offered decent food and great service, with delicious cocktails and a special mention to the restaurant manager.
