A **comprehensive [menu](#)** of Best Western Swan from Mendip covering all **19** courses and drinks can be found here on the food list. The restaurant at this lovely hotel in Wells offers a picturesque setting with a view of the Cathedral green. The service is friendly and attentive, and the staff go above and beyond to make guests feel welcome. However, some guests found the food to be below average, with bland pasta and overpriced cream tea. Despite these drawbacks, the hotel itself offers comfortable rooms, helpful reception staff, and a quiet atmosphere. Overall, the Swan is a charming place to stay with great potential for improvement in their dining options.
