Here you can find the [menu of Science Cream](#) in Cardiff. At the moment, there are **25** menus and drinks on the card. Science Cream in Cardiff offers a unique ice cream experience using liquid nitrogen. The ice cream is delicious, though some found it a bit pricey. The show of making the ice cream is like a science experiment and adds to the fun atmosphere. The cafe is highly recommended for its creative flavors and entertaining preparation process. In addition to the ice cream, they also host children's parties where kids can make slime and learn about science. Although it may be a bit expensive, the quality and experience make it worth the visit.
