A complete [menu](#) of The Carpenters Arms from West Dorset covering all 25 menus and drinks can be found here on the food list. Nestled in Sherborne, this pub has garnered mixed reviews, reflecting a journey from past excellence to inconsistency. While some patrons recall delightful meals and commend the friendly staff, others express disappointment in food quality and service during busy events. The ambiance is appreciated for its charm, highlighted by a lovely garden and recreational amenities like a skittle alley and pool table. Recent changes, including new culinary leadership, have sparked both praise for fresh, well-prepared dishes and concern over declining standards. Overall, while potential shines through, visitors advise caution and suggest exploring alternative dining options in town.
