A complete [menu](#) of Favourite Fried Chicken from Dublin covering all 17 meals and drinks can be found here on the card. This quirky restaurant with a unique atmosphere offers decent, relatively cheap food that can be obtained quickly. It has a convenient location easily accessible by bus. However, cleanliness could be improved, as the place is old and not the cleanest. While the food quality has declined over time, the restaurant is known for its delicious halal spicy chicken wings. The small dining area is best suited for takeout orders due to limited seating. Overall, it's a good place for a quick and tasty meal at a reasonable price.
