On this site, you can find the **complete menu** of Harris James from Waveney. Currently, there are **17** meals and drinks up for grabs. Nestled in Southwold, this charming ice cream shop boasts an impressive selection of flavors, from classic raspberry ripple to unique offerings like key lime pie gelato. While some flavors lean towards the overly sweet and artificial end of the spectrum, many patrons rave about the quality and richness of the ice cream and sorbet. The dense, sugary doughnuts are equally delicious, hailed by customers as the "best ever." The staff's friendly service adds to the experience, though inconsistency in customer interactions has been noted. Overall, it's a delightful spot for dessert lovers, warranting multiple visits.
