On this site, you can find the **complete [menu](#) of Sainsburys Swindon** from Swindon. Currently, there are **17** dishes and drinks up for grabs. The Sainsbury's café offers a mixed dining experience for patrons. While some enjoy the tasty breakfasts and friendly service, many express frustration over long wait times and inconsistent food quality. Issues with cleanliness persist, as dirty tables remain unattended, and essential items like ketchup and breakfast staples are often unavailable. Some diners appreciate the comfortable booths and USB power points, but find the atmosphere cold due to drafts. Despite a few positive encounters, cleanliness and service efficiency remain pressing concerns. Overall, while the café has potential, it requires significant improvements to meet customer expectations effectively.
