A **comprehensive menu** of Excel Fisheries from North Lincolnshire covering all **18** meals and drinks can be found here on the food list. The local favorite offers a range of food, celebrated for its freshness and generous portion sizes. While many patrons rave about the delicious fish and chips and homemade sauces, some experiences tell a different story. Issues like poor service and significant price tags for certain dishes, such as chicken kebabs, have left diners disappointed. Complaints about raw chips and unwelcoming staff attitudes have marred the reputation of this establishment. However, the charming atmosphere, especially noted for breakfast offerings and kid-friendly meals, retains loyal customers eager for quality food and a welcoming environment.
