On this site, you can find the **complete [menu](#) of The Kings Arms** from Mendip. Currently, there are **16** meals and drinks up for grabs. Nestled in a quaint yet somewhat neglected pub setting, this establishment presents a mixed dining experience. While the welcoming hosts and cozy atmosphere earn praise, the dilapidated exterior and cluttered entrances detract from its charm. The menu, though featuring standout dishes like fish and chips, lacks variety, leading to dissatisfaction with some meals. Instances of poor customer service have been noted, yet many guests commend the excellent food quality and friendly staff. With potential for greatness, this pub could shine with a little upkeep and attention, making it worth a visit for the food and warm hospitality.
