A complete [menu](#) of Sonali Spice from East Riding of Yorkshire covering all 25 courses and drinks can be found here on the menu. Sonali Spice has received mixed reviews recently, reflecting a concerning decline in both service and food quality. While some diners enjoy prompt delivery and commendable dishes like the tandoori mixed grill, others report frustrating experiences, including mistaken orders and unappetizing meals. Problems such as reserved seating conflicts, lukewarm food, and inconsistency in portion sizes have left many regular customers disillusioned. Once a favored choice for its delightful atmosphere and attentive service, the restaurant now faces scrutiny as patrons express their disappointment, questioning whether their cherished dining spot can regain its former glory.
