A comprehensive [menu](#) of Heaviley Tandoori from [Stockport](#) featuring all 22 dishes and drinks can be found here on the menu. Touted for its delicious kebabs and coal-cooked meals, this restaurant has garnered a loyal following owing to its flavorful dishes and generous portions. While many diners rave about the quality, praising the lamb and the Medium Curry Sauce, recent experiences indicate a drop in reliability, with reports of missing items and inconsistent quality. Takeout service has been a mixed bag, with some patrons frustrated by cancellations and slow refunds. Overall, this eatery remains a solid choice for those craving fresh flavors, but improving service efficiency could elevate the experience for all customers.
