A **comprehensive menu** of Thai By Night from Wyre covering all 15 meals and drinks can be found here on the menu. Recent visits to this once-beloved restaurant have generated mixed feelings among patrons. While some diners enjoyed delightful dishes and commendable service, others found their experiences lacking. Complaints about overcooked and less-than-fresh meals, reduced portion sizes, and inattentive staff marred previous reliable visits. A few positively noted the delicious flavors and attentive service, particularly during early bird specials, while others felt awkward due to service missteps. Despite the negative experiences, a warm atmosphere and reasonably priced options remain appealing. As the restaurant navigates potential changes, diners are hopeful for a return to its former glory.
