On this site, you can find the **complete menu** of Kfc from Cork. Currently, there are **18** courses and drinks up for grabs. The restaurant has received mixed reviews from customers, with some noting issues with understaffing and high prices. However, there were positive comments about the chicken tenders and friendly service, particularly from an employee named Michael. Despite complaints about cleanliness and lack of COVID-19 regulations enforcement, other customers praised the variety of food offered and the friendly staff. It seems that the restaurant's success may depend on individual experiences and the quality of customer service provided.
