Here you can find the [menu of Wood Fired](#) in [Rochdale](#). At the moment, there are **25** dishes and drinks on the food list. The recent transition of this takeaway has ignited mixed feelings among patrons. While some praise its delicious pizzas and generous toppings, particularly the calzone, others lament a decline in quality, noting substitutions in ingredients like ham and pepperoni, as well as lackluster side offerings. The pricing appears reasonable for many, but questions arise over value, especially regarding portions and quality of sides. However, several customers commend the efficient service and the authentic flavors that remind them of Italy. Overall, the establishment displays potential, but consistency in quality and value remains crucial for future success.
