A **comprehensive menu** of Kokoro from Dublin covering all **17** dishes and drinks can be found here on the food list. Kokoro in Dublin offers a mixed dining experience from fresh sushi and delicious ramen to disappointingly fried rice onigiri. Some patrons have found the food to be a hit or miss, with concerns about gluten-free options.

Despite some ups and downs, many loyal customers enjoy the value, quality, and range of choices at the restaurant, including satisfying bento boxes and friendly service. However, recent closures of branches have left some regulars hoping for a return. Overall, Kokoro remains a decent spot for a casual meal in the city center, with potential for improvement in certain areas.
