Here you can find the [menu of Swan](#) in Camden. At the moment, there are **17** dishes and drinks on the menu. "The Swan" offers a large vegan selection, although it is on a separate menu that may not be obvious. The mushroom and apple cake is delicious, but the vegan fish and chips are no longer available. The atmosphere is lively and the staff is friendly. Some customers had issues with vegan options and the woodland mushroom pudding. The pub serves classic dishes slightly above average price. The building dates back to 1931 and retains a cozy Victorian vibe. Overall, The Swan is a great place to stop for good food, friendly staff, and a traditional British pub experience in central London."
