On this website, you can find the **complete [menu](#) of The Prince Of Wales** from Bristol, City of. Currently, there are **17** courses and drinks available. A recent experience at a local pub left a group feeling unwelcome, with rude and disrespectful service. The manager's behavior was particularly shocking, refusing service and instructing staff not to serve them. However, the spot does have some positives, including a Moving Mountains burger with a tasty beetroot bun. The staff are described as caring about the community, although a dry burger led to a drop in the rating. On other occasions, the pub offers a great selection of beers, live music, and a buzzing atmosphere, making it a top spot for a cozy pub experience in Bristol.
