A **complete menu** of Miami Pizza from Newcastle upon Tyne covering all **16** dishes and drinks can be found here on the menu. Despite some negative experiences with customer service and food quality, this restaurant seems to have a loyal customer base due to its affordable prices. Customers appreciate the filling portions and quick delivery service. The takeaway collection offers excellent value for money, particularly the pizzas with generous toppings and thick base. However, inconsistent quality control and lack of attention to customer requests contribute to mixed reviews. Overall, it appears that customers are inclined to return for the great prices and convenient delivery options, despite some occasional disappointments.
