On this site, you can find the **complete [menu](#) of Page's Fish Chips** from Torfaen. Currently, there are **16** menus and drinks available. Page's Chip Shop presents a bifurcated dining experience that has prompted mixed reviews from patrons. Some diners reminisce about prior visits marked by lively atmospheres, friendly staff, and delectable dishes, particularly praising items like loaded fries and Chicken Tikka. However, a noticeable decline in quality has emerged post-ownership change, with reports of soggy pies, oily chips, and smaller-than-expected portions confusing loyal customers. Still, many appreciate the varied menu accommodating dietary needs, including gluten-free options. While some may deter future visits, others eagerly anticipate their next meal. A restaurant in transition, Page's leaves diners torn.
