Here you can find the [menu](#) of Mick's Fish Chips in Braintree. At the moment, there are **15** dishes and drinks on the card. At Micks, the fish and chips stand out as a culinary highlight, praised for their freshness, crispiness, and superior quality. Patrons rave about the portion sizes, often enough to satisfy multiple diners. However, consistent service issues mar the experience, with reports of slow and disorganized staff leading to extended waits and order mix-ups. While many enjoy the delightful food and welcome atmosphere, the unsettling pattern of inadequate customer service leaves a lingering disappointment for some. Overall, Micks presents a mixed dining experience where high-quality food meets underwhelming service, prompting diners to weigh their options carefully before returning.
