A complete [menu](#) of Jade Garden from BROMLEY covering all 15 meals and drinks can be found here on the card. Nestled in the heart of Biggin Hill, Jade Garden has garnered a reputation for its Chinese takeaway offerings, though recent experiences suggest a dip in consistency. While some patrons praise the flavorful dishes and generous portions, others lament over salty and subpar meals. Highlights include complimentary fortune cookies and prawn crackers with larger orders, enhancing the dining experience. However, complaints about specific menu items, such as unsatisfying spring rolls and erratic quality, indicate that diners may approach their orders with caution. Overall, Jade Garden remains a local favorite, albeit with a few caveats.
