A comprehensive [menu](#) of New Curry Palace from Stockport covering all 15 dishes and drinks can be found here on the food list. Once a beloved takeaway, recent experiences at this restaurant reveal a sharp decline in quality and service. Patrons report incorrect orders, unsanitary conditions, and dishes that lack authenticity, with the paneer palak more akin to melted cheddar than traditional fare. While some have praised the kebabs for their generous portions and prompt delivery, others express disappointment over inconsistency in flavor and quality.

Despite a long-standing reputation for tasty offerings, many now caution potential diners to seek alternatives, fearing food safety issues and bland meals have replaced the once-satisfying experience this establishment was known for.
