King Balti, a long-standing favorite for many, faces mixed reviews as diners express their concerns over quality and consistency. While some patrons relish the flavorful dishes, including well-cooked chicken tikka and generous portions, others recount disappointing experiences characterized by bland, watery curries and poorly executed sides. The steep prices, often reaching nearly £100 for a meal, further contribute to customer dissatisfaction, especially when ingredients and flavors do not match expectations. Despite its loyal following, there's a growing sentiment that the restaurant may need to reassess its offerings to maintain its reputation for quality and value.
