A complete [menu](#) of Tee Off Cafe from Highland covering all 18 courses and drinks can be found here on the card. Nestled by stunning landscapes, this café in Lochcarron offers a mixed experience. While many patrons rave about the warm atmosphere, friendly service, and delicious offerings like pie and scones, others have reported instances of rudeness and chaos among the staff, particularly during busy times. Despite some negative encounters, especially concerning customer treatment, the café supports the local community and is dog-friendly. Overall, while the views and food impress, potential visitors might want to proceed with caution regarding service consistency. For those seeking a scenic escape, it still has much to offer, but with room for improvement in hospitality.
