Here you can find the [menu of India](#) in South Lakeland. At the moment, there are **16** courses and drinks on the menu. Jheel Indian, formerly known as India, offers a mixed dining experience in a cozy setting. While the atmosphere is pleasant and the staff friendly, the overall service and food quality vary significantly. Some dishes, like the chicken bhuna and tandoori prawns, receive praise, whereas items such as the mixed tandoori grill and poppadoms fall flat in flavor and freshness. Additionally, concerns about cleanliness and pricing have been noted, with some diners expressing disappointment over high bills for average meals. Despite its promising potential and positive reviews, several diners feel Jheel has yet to fully capitalize on its new ownership, leaving room for improvement.
