On this website, you can find the **complete menu** of Jolly Drover from Chichester. Currently, there are **33** courses and drinks available. Nestled in a charming setting, this pub has garnered mixed reviews, reflecting a blend of experiences. While some diners rave about the delicious meals, warm atmosphere, and attentive staff, others express disappointment over inconsistent food quality and escalating prices. Highlights include succulent roasts and accommodating service for families, creating a cozy dining experience. However, the ambiance has been hampered by loud music, and a need for more vegan/vegetarian options has been noted. Overall, the pub remains a beloved local spot, but recent visits suggest it may need to address some ongoing concerns to maintain its appeal.
