Very nice food

Very nice restaurant in every way. My friends and I had a lovely evening in the Old House. The service was excellent, the food magnificent and the place has a lovely vibe.

The rooms were a big enough party and were catered for very professionally. The staff were so kind and couldn't do enough for us.

The menu was really varied with steaks sea bass, scallops, bellies, chicken et al. I had the sea bass and it was delicious. Great selection of starters and mains. Very reasonably priced too.

There is ample paid parking there but they issue a free bar-coded pass if you're a customer.
