Seasiders is a seaside restaurant known for its fish and chips, but reviews are mixed. Some customers were disappointed with the greasy fish and lack of hygiene standards among staff, leading to indigestion. Others praised the delicious haddock and chips, excellent service, and attention to dietary restrictions. While some had a perfect meal, others encountered rude staff and confusion with their orders. The consistency of the food quality and customer service experiences at Seasiders seems to vary, making it a hit or miss dining option by the sea.
