On this website, you can find the **complete menu** of Kebab Palace from Bray. Currently, there are **16** meals and drinks available. Despite some mixed reviews, Kebab Place offers a variety of kebab options with standout flavors. While some were disappointed with blandness and small portions, others raved about succulent meat and generous servings. The new ordering system and lack of seating could be improved. Overall, Kebab Place seems to have potential but may need some menu adjustments and service enhancements to cater to all customers' preferences.
