On this site, you can find the **complete [menu](#) of Taypark House Cafe** from Dundee City. Currently, there are **32** menus and drinks up for grabs. Located in the original library and drawing room of Taypark House, our restaurant offers stunning views of the botanical gardens and the River Tay. We have restored these rooms to highlight their original features, complemented by a modern vintage twist such as hanging teapot lamps and a cluster chandelier with pretty patterned lampshades. Our award-winning chef, Glenn Roach, who has previously held 3 AA rosettes, recreates classic dishes using locally sourced produce to let the flavors speak for themselves. It truly is an incredible setting for a delicious dining experience.
