

Five Guys Menu

<https://menuweb.menu>
Traffic Street, Derby, United Kingdom

A **comprehensive menu** of Five Guys from Derby covering all 17 courses and drinks can be found here on the menu. Five Guys offers a unique burger experience, yet opinions are sharply divided. Many diners lament the high prices, noting that average quality food doesn't justify costs that can soar to £40 for two burgers and fries. Common complaints include lackluster flavors and poor service, with some items arriving cold or missing key ingredients, like bacon in the "Bacon Cheese Dog." However, a notable segment of patrons praise the customizable options, freshness, and enjoyable Cajun fries, claiming it's worth the premium for the taste. Overall, while some rave, others counsel caution due to inconsistent experiences.
