On this website, you can find the **complete menu of Chip Factory** from Lisburn. Currently, there are **15** courses and drinks available. The Chip Factory in Glenavy offers a varied dining experience that has left patrons divided. While some rave about the top-notch fish suppers and famous milkshakes, others have encountered disappointing meals, including soggy chips and ill-prepared burgers. Service can be hit or miss—friendly staff are noted during busy periods, but issues with order accuracy and long wait times have been reported. With prices ranging from £1 to £10, it remains a solid option for those traveling near Belfast International Airport, but potential diners should be prepared for inconsistency in both food quality and service.
