A complete [menu](#) of Ruby Open Kitchen from Barnsley covering all 16 courses and drinks can be found here on the card. At Ruby Open Kitchen, dining experiences seem to vary widely among patrons. While some have enjoyed freshly prepared dishes bursting with flavor, including popular options like prawn curry and perfectly spicy fare, many recent reviews describe disappointing meals marked by blandness and poor quality. Customers have reported undercooked items and unprofessional service, including late cancellations of orders. However, a few diners do praise specific dishes like mushrooms with black pudding and chicken balls, which stand out for their taste. Overall, Ruby Open Kitchen appears to be struggling with consistency, leaving many diners disenchanted.
