Located in [Ballymoney](#), Superbites offers a diverse menu that includes traditional chip shop favorites alongside hearty meals. Diners have praised the friendly staff and the restaurant's ability to provide quick service, making it an ideal stop for a satisfying lunch. However, some customers reported subpar experiences, particularly with the quality of carryout items like greasy fish and inadequate portion sizes. While the atmosphere is generally pleasant, patrons should be mindful of seating near high-traffic areas. Overall, while many appreciate the home-cooked vibe and variety, consistency remains a point of contention.
