On this site, you can find the **complete menu** of **Express Bbq Fish** from Epping Forest. Currently, there are **15** courses and drinks available. This restaurant, once a local favorite, is facing growing criticism for its inconsistent food quality and outdated practices. Patrons report receiving cold meals, subpar ingredients, and smaller portion sizes, particularly on Sundays. The once-beloved dishes now lack freshness, leading to dissatisfaction among loyal customers. Moreover, outdated payment methods—strictly cash—leave many frustrated. Mixed feedback on service, including unhelpful responses to complaints, further tarnishes its reputation. With many alternatives available, it seems diners are increasingly reluctant to return, signaling a potential decline for this once-thriving establishment. A reassessment may be needed to revive its standing in the community.
