Here you can find the [menu of Miah's](#) in South Somerset. At the moment, there are **17** menus and drinks on the menu. This restaurant garners a mixed response, with diners praising its delicious food while lamenting poor service. While some enjoyed standout dishes like Rogan Josh and mango chicken, inconsistent service, slow order fulfillment, and unfriendly staff dampened the experience for many. The atmosphere also drew criticism, with uninviting decor and concerns about food temperature in takeout orders. However, when the service shines, patrons find value in the extensive menu and reasonable prices, making it a viable option for both dine-in and takeout. Overall, while the food may keep some returning, many left frustrated with the service.
