Saravana Bhavan, a popular South Indian restaurant chain, presents a mixed bag of dining experiences. While some patrons rave about the authenticity and variety of dishes, others express disappointment over food quality and service. Complaints regarding unavailability of menu items, poor customer service, and unsanitary conditions detract from the overall ambiance. Despite these issues, many appreciate the reasonable prices and flavors, particularly praising dishes like Mysore dosa and idli. Though enthusiasm from staff seemed lacking during some visits, a few customers still consider this restaurant a go-to for satisfying vegetarian meals.
