A **comprehensive menu** of Ten Square from Strabane covering all **22** dishes and drinks can be found here on the menu. 10 Square presents itself as a restaurant brimming with potential, yet guest experiences reflect a mixed bag. While some enjoyed friendly service and impressive steaks, others found the menu lacking in variety and the food quality underwhelming, particularly in main courses. Frequent complaints about portion sizes, slow service, and attention to detail, such as greasy plates or chipped dishes, persisted. Positive notes include a pleasant atmosphere and the occasional standout dish. Overall, 10 Square may be a place to visit, but it seems to require consistency and refinement to truly satisfy its patrons.
