Robins Fish and Chips in Thurso proves to be a polarizing destination for diners. While some patrons rave about the freshness and crispiness of the fish and perfectly cooked chips, others have encountered disappointing meals characterized by soggy batter and overcooked offerings. Despite the friendly service and pleasant atmosphere, the inconsistency in quality raises eyebrows, with reports of locals receiving preferential treatment. Portions may be smaller than expected, yet some diners find them satisfying. Overall, while Robins has its advocates, potential visitors should proceed with caution when seeking a fish and chip experience.
