A **comprehensive menu** of Kaspas from Watford covering all **16** courses and drinks can be found here on the food list. Kaspas offers a mixed dining experience, with numerous patrons expressing disappointment over customer service and staff attitudes. Many noted long wait times and order inaccuracies that detracted from their visits. While some guests appreciated the dessert quality and friendly service from specific staff members, the overall atmosphere was criticized for being unwelcoming and disengaged. Recommendations for improvement include enhanced staff training and attentiveness to customer needs. Despite these concerns, the restaurant's decor and diverse menu remain appealing, making it a potential destination for those seeking indulgent treats, though future visits may depend on management addressing the service issues.
