On this website, you can find the **complete [menu](#)** of **Kulu Kulu Sushi** from Kensington and Chelsea. Currently, there are **15** menus and drinks available. Kulu Kulu Sushi offers a mixed experience for sushi enthusiasts. While some diners appreciate the freshly made sushi, which is often well-prepared and affordable, others lament the quality of certain ingredients, like the imitation wasabi, and have criticized the limited [sushi](#) train selection. The restaurant's cozy ambiance and friendly service add a touch of warmth, but the decor sometimes feels tired. Favorites like the soft shell crab hand roll and free green tea receive praise, yet guests note that there are better sushi options elsewhere, making it more of a casual stop than a destination for [sushi](#) lovers.
