On this webpage, you can find the **complete menu** of McDonald's from [East Grand Forks](#). Currently, there are **17** menus and drinks up for grabs. At this McDonald's location, customers often experience significant delays, particularly with curbside pickup, with wait times reaching up to 35 minutes. While the drive-thru moves fairly quickly, issues with customer service persist, including rudeness from staff and missing items in orders. Some diners reported receiving pre-made burgers instead of freshly prepared ones, leading to disappointment in quality. However, there are bright spots, such as friendly staff who engage positively with patrons. Overall, while the restaurant provides familiar fast-food comforts, consistent problems with service, food quality, and order accuracy detract from the experience. Improvements are urgently needed.
