Maki opened its doors in 2006 and has since become a beloved Japanese restaurant in the area. Fresh sushi, sashimi, and tempura are popular choices, along with bento box varieties and ramen noodles. Inspired by the Japanese region of Osaka, the restaurant's interior features deep reds and dim lighting, creating an atmosphere that is perfect for gatherings with friends and family as well as romantic dinners. Guests can also enjoy the skilled sushi chefs at the counter sushi bar.
