The Taste cafe in Cleckheaton has had a decline in quality, with long waits, cold food, and disinterested staff being highlighted as issues. Despite past positive experiences and a varied menu, recent visits have resulted in disappointment and a lack of cleanliness. However, some customers still appreciate the excellent food and friendly service that the cafe has to offer, with standout dishes like the slow-roasted beef and shredded BBQ pork baguette receiving high praise. The cafe is noted for being a nice spot for a family-friendly meal, featuring a variety of options from full English breakfast to omelettes.
